

Siemens Espree
1.5T wide-bore MRI

The comforting MRI experience

Via Radiology offers the Siemens Espree 1.5T extra-large wide-bore MRI. The only of its kind in Seattle, this MRI provides 21" of headroom—to easily accommodate patients who are large or claustrophobic.

Be sure to ask your doctor about our high quality images, caring staff, state-of-the-art outpatient environment, and same day appointments.
